

You're invited to a customer program open house

AES Indiana is hosting four open house events for local community members to stop by, meet the people behind the power and ask our team questions. Representatives from the following departments will be available to answer questions and provide information:

 Energy efficiency

 Customer care

 Vegetation management

 Regulatory

 Community relations

You will also be able to schedule a free Home Energy Assessment, see projects that are a part of AES Indiana's Smart Grid plan with our Smart Map, and more.

Questions about the event? Email us at aesindianapublicaffairs@aes.com.
