

Name of Dike: Eagle Valley Generating Station - Ash Pond System

Date of Meeting: 11/20/2024 Annual EAP Meeting/Review

In accordance with 40 CFR 257.73(a)(3)(i)(E), the annual meeting/review between AES Indiana's (formerly IPL) internal EAP organization and local emergency responders was completed via email correspondence and in-person site meeting for the Eagle Valley Generating Station on the preceding date. The following topics were discussed:

ANNUAL EAP PARTICIPANT MEETING NOTES

Discussed through emails, in person conversations and a site tour the contents of the EAP. The EAP had been sent to Morgan County EMA for review on 11/19/2024. An in-person meeting took place on 11/20/2024. It was noted in the meeting that there have been no changes to the EAP or site conditions. No other revisions were required to the EAP based on the review. There was discussion regarding the upcoming closure/Draft closure permit pending with IDEM.

Noted that ash has not been sluiced to the ash ponds since 02/2016 when the new CCGT facility was constructed. Noted that all ash ponds have been dry since early 2018.
