

**Notice of Completion of Closure
Petersburg Landfill
August 27, 2026**

40 CFR §257.102(h) Notification of Completion of Closure

AECOM ("Consultant") has been retained by AES Indiana to prepare the following notification of completion of closure of the above-referenced coal combustion residuals ("CCR") landfill as set out in 40 C.F.R. § 257.102(h). Presented below are the background, notification, limitations, and certification.

BACKGROUND

Per §257.102(h), within 30 days of completion of closure of a CCR unit, the owner or operator must prepare a notification of closure of a CCR unit. The notification must include the certification by a qualified professional engineer (or the approval from the Participating State Director or the approval from EPA where EPA is the permitting authority) as required by § 257.102(f)(3). The owner or operator has completed the notification when it has been placed in the facility's operating record as required by § 257.105(i)(8).

NOTIFICATION

In compliance with Title 40 of the Code of Federal Regulations (CFR) Section 257.102(h), AES Indiana is hereby providing notification of completion of closure of the Petersburg Landfill at the Petersburg Generating Station located near Petersburg, Indiana. The closure activities were completed in accordance with the CCR Closure Plan dated July 31, 2024.

LIMITATIONS

The signature of Consultant's authorized representative on this document represents that to the best of Consultant's knowledge, information, and belief in the exercise of its professional judgment, it is Consultant's professional opinion that the aforementioned information is accurate as of the date of such signature. Any opinion or decisions by Consultant are made on the basis of Consultant's experience, qualifications, and professional judgment and are not to be construed as warranties or guaranties.

CERTIFICATION

I, Jay Mokotoff, being a Registered Professional Engineer, in accordance with the Indiana Professional Engineer's Registration, do hereby certify to the best of my knowledge, information, and belief, that in accordance with §257.102(f)(3), the closure of the Petersburg Landfill has been completed.

SIGNATURE

Jay D. Mokotoff, P.E.

DATE: August 27, 2026
