

2016 IPL IRP Public Advisory Meeting #4
September 16, 2016
Results Discussion

Small group discussion

1. What is your opinion of the preferred resource portfolio?

2. Did the scenario portfolio results vary as much as you expected? If not, how might scenario assumptions be modified to produce more varied results?

3. What is your opinion of the metrics results? Please refer to the metrics handout for more information.

4. Do any specific metric results surprise you?
