This completed form must be returned to AES Indiana on or before **July 30, 2022**, to opt in to Participation in EE programs effective with the **January 2023**, billing cycle.

A qualifying customer who notifies AES Indiana after **July 30, 2022** of its intention to opt in will be Ineligible for participation in 2023 EE programs.

For more information about these EE programs, please visit our website at aesindiana.com.

By opting in, the applicable DSM Rate Adjustment Factor(s) contained in Standard Contract Rider No. 22 will be charged for each AES Indiana Service located at a Single Site with Qualifying Load. These Services/Sites will be eligible to participate in AES Indiana's EE Program effective January 1, 2023, following your notice to AES Indiana and for a period of at least three years. Further information regarding the Opt-Out/Opt-In process may be found in Standard Contract Rider No. 22.

- For each qualifying Single Site, list all AES Indiana Services that were previously opted out.
- AES Indiana may be required to provide the Indiana Utility Regulatory Commission with a list of those industrial or large commercial customers that have opted in to participation.
- *Once you opt back in to the Energy Efficiency Program, you must participate for at least three (3) years after the date on which you opt back in and may only opt out effective January 1 of the year following the third year of participation. If you opt out again before the end of the three year period, you remain liable for and must continue to pay rates that include the Energy Efficiency Program Costs.*
