Step 1: Determine Eligibility

Applicant

The applicant must be an active AES Indiana business customer with a qualifying Rate Code at the time of equipment installation. Qualifying rate codes include SS, SE, SH, SL, PL, PH or HL.

Applicant and Installation

The application must be completed in full and signed prior to submittal. Applications must be received within 90 calendar days of project installation or by December 31, 2022, whichever comes first.

Please note, rebates not to exceed 50 percent of the total material and external labor cost and are limited to a maximum cap of \$100,000 per project. Total combined Custom and Prescriptive incentives are capped at \$1,000,000 per customer per calendar year.

Equipment and Installation

New equipment must be more efficient than existing equipment (e.g., the new equipment must save energy). Excludes New Construction projects. Equipment must be installed and operational by December 31, 2022.

Step 2: Complete Application & Attach Supplemental Documentation

Complete Application

Unless noted otherwise, all fields must be completed on the application.

Sign Application

The application must be signed in the space provided in Section 6: Terms and Conditions.

Attach Supplemental Documentation

Ensure you have attached a copy of all documentation to the rebate form, including an itemized invoice and manufacturer specification sheets.

The invoice should include:

- The equipment size, type, make, model and/or part number
- The date of installation
- An itemized breakout of materials (including per unit costs by model number), labor and sales tax
- Rebate amount credited on invoice, if Trade Ally or Third-Party Rebate Administrator is assigned to receive the rebate. Please note, the customer's signature is required in Section 4 to assign the rebate to either.

Step 3: Submit Paperwork

Double-Check Information

Make sure information listed on the application is correct and you have provided an itemized invoice and specification sheets.

When applicable, installed equipment must be ENERGY STAR® certified. See Section 5 for eligibility requirements.

Submit Application

Submit your completed application and supplemental documentation to one of the methods posted above. Once completed paperwork is submitted, rebate payments are generally made within 6–8 weeks.

Note: If you choose to email your application, be sure to include all documents as email attachments.

Section 6: Terms and Conditions

Applicants who provide their Social Security Number as their Federal Tax Identification Number for tax purposes must consent to release this information to AES Indiana's third-party administrator. The third-party administrator is responsible for mailing the 1099 form at the end of the calendar year for tax filing. Authorized agents for AES Indiana and the third-party administrator have signed a confidentiality agreement to protect your personal information. By signing below you hereby consent to AES Indiana disclosing your personal information including your Social Security Number to AES Indiana's third-party administrator for the purposes of administering this program.

The following certifications are required

Under penalties of perjury, I certify that:

1. The number shown on this form is the correct Federal Taxpayer Identification Number.
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, (b) I have not been notified by the IRS that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.

The signatory agrees that the stated energy-efficient measure(s) was (were) completed or installed at the location listed in Section 1 as part of the AES Indiana Business Rebates & Incentives Program. I have read and agree to the Terms and Conditions within this application. To the best of my knowledge, the statements made on this application are correct, and I have submitted the appropriate supporting documentation to receive a rebate payment.

I certify that this premise is served by AES Indiana, that the information provided herein is accurate and complete, and that I have purchased and installed the high-efficiency equipment (indicated herein) for the business facility listed herein and not for resale. Attached is an itemized invoice for the indicated installed equipment. I understand that the proposed rebate payment from AES Indiana is subject to change based on verification and AES Indiana's approval. I agree to AES Indiana's verification of both the sales transaction and equipment installation, which may include a site inspection from an AES Indiana representative or an AES Indiana authorized agent. I understand that I am not allowed to receive more than one rebate/incentive from AES Indiana on any piece of equipment. I also understand that my participation in the program may be taxable and that my company is solely responsible for paying all such taxes. I hereby agree to indemnify, hold harmless, and release AES Indiana and its affiliates from any and all actions or claims in regard to the installation, operation and disposal of equipment (and related materials) covered herein including liability from incidental or consequential damages. AES Indiana does not endorse any particular manufacturer, product, or system design within these programs; does not expressly or implicitly warrant the performance of installed equipment (contact your contractor for details regarding equipment warranties) and is not liable for any damage caused by the installation of the equipment nor for any damage caused by the malfunction of the installed equipment.

Rebates are subject to change and may be discontinued at the sole discretion of AES Indiana. Rebate funds are limited and available on a first-come, first-served basis. Eligible customers may receive a rebate for each eligible piece of equipment installed. Equipment must be installed and in operation to be eligible for rebate.

I have read and hereby agree to the AES Indiana Business Rebates & Incentives Program Requirements, Terms and Conditions, and Certification(s) as stated in this application form.
